SCHOOL
2008

The background of the page is a textured brown color. In the lower half, there are several vertical, slightly curved lines of varying shades of brown, creating a sunburst or forest-like effect. At the bottom of the page, there are three wavy, horizontal bands: a light blue band, a black band, and a lime green band.

Stevenson is a tight-knit community where students and faculty alike share support between their interconnecting lives. A network of circles of classes, sports, dorms, advisories, and more connects everyone into a cohesive whole striving to learn, grow, and prepare for life after high school. These circles are the glue bonding the tremendous strengths of individuals into a unified community.
