Hi Sam,

How is Trucks this morning?
Guess you are working hard this
early in the morning. After staying
at home last night. H. A.

The army had company last night
Jack Frost came over. He was not invited
either.

We are about ready to go out on
the problem. Don't know how long
it will last.

Younel heard from Jack this
morning. He is at home now.
He married the other night.
Guess that is worse than being in
the army.

Did Billy come over last night?
~~He~~ May be it was some one else.

So long

Love,

C. O. G.

P.S. It is still
cool here in the
hotel.
